Catering Menu

Our catering selection is vast, and the menus that we curate for our clients also depends on the style of the service of each event.

Attached below, are references for a lot of the dishes that we serve as a part of our catering menu. We have also presented some options for live counters for the caterings that you can select from

We hope you enjoy this selection, as much as we have enjoyed putting it together for you. We look forward to curating a dining experience around all your preferences, as we forage all ingredients to put a wide selection for you!
